*Tuning Violet Tangles*

I remember playing cats cradle in the park with you  
The Eskimo figure of the sun rising between mountains (Coll. Jeunesse, ca. 1915)

Crispy leaves  
Frogs jumping

Nomadic wandering of thoughts  
Along an infinite distance, directed inwards in proximity  
(Eine Nähe gleich einer unendlichen Ferne)

Looking down  
Down to earth  
Watching reptiles in the mud  
playing fighting  
(un)settling

Not somewhere else, but here, in this  
No man's land

It's becoming darker  
Standing in a rice field full of fireflies

Getting dizzy from the traffic lights  
Turning around blindfolded in white glimmer

Smoke and space  
Time and again

Insisting  
Resisting

Against all odds  
Bend your knees

Spreading  
Reaching out  
Up and down  
From plateau to plateau  
Tuning together

How did we  
Cut apart
